

The page is framed by a decorative border of green floral and vine motifs. The text is enclosed in a rectangular frame made of a dotted green line. The background is white with the green floral pattern repeating across it.

Board Commitment

We, the Board of Trustees, as servant leaders of the Center for Spiritual Living Capistrano Valley, are united in our commitment to serve our Center with love, wisdom, courage, faith, confidence, acceptance, authority and authenticity.

We know that in so doing, we create a spiritual environment that is energetic, welcoming, safe and fulfilling to all, physically, mentally and spiritually.

We are dedicated to creating a Center which is committed to providing spiritual tools for everyone; awakening humanity to its own magnificence, encouraging spiritual maturity and developing a relationship with God, thereby creating a world that works for everyone.

Individually and collectively we demonstrate our faith and our conscious awareness of the power of the One Mind by the clarity in which we hold the vision for our beloved Center as a vital, loving, abundant expression of Spirit.

A small, stylized green floral motif is positioned to the left of the signature text.
